

Pyrometer holder with push-in fitting

P1

Attaching of the pyrometer of a plastic laser-sintering system
FORMIGA P 110/100 with the help of a holder with push-in fitting
for the nitrogen supply

Version 1.0.EN · 180508

Technical Specifications

Part No.	1022670	
Name	Pyrometer holder with push-in fitting, P110*	
Manufacturer	Hasenauer & Hesser GmbH	
Intended purpose	Attaching of the pyrometer of a plastic laser-sintering system FORMIGA P 110/100 with the help of a holder with push-in fitting for the nitrogen supply	
Benefits	Stable attachment of the nitrogen hose to the holder with the help of a push-in fitting	
Materials	Holder:	PA12 (PA 2200)
	Housing push-in fitting:	Nickel-plated brass
Weight	approx. 0.03 kg	
Dimensions W x H x L	40 mm x 75 mm x 85 mm	
Alternatives	Pyrometer holder with push-in fitting, P100* (Part No.: 1030086)
